

Belarusian State Academy of Music

Belarusian State Academy of Music (hereinafter – the Academy) was founded in 1932.

The Academy (till 1992 – Belarusian State Conservatory named after A.Lunacharsky) is a significant centre of Belarusian musical and performing art, musicology and pedagogy. In 2000, the Academy was awarded the status of a leading higher educational institution of the national education system in the field of musical arts. In 2022, the Academy celebrated its 90th anniversary.

∞ The Academy comprises four faculties, thirteen departments, a center for art projects etc. More than half of the scientific and art staff of the Academy have been awarded honorary titles, more than 70% of them have academic degrees and academic titles. Graduates are actively performing and teaching in our country, and successfully work in countries near and far abroad.
